This month your average daily electric use was **1.0 kWh**

After being at this address for a year, comparative yearly energy information will be displayed in circle.

News For You

It's Spring! Now's a great time to look at the health of the trees on your property. If you have trees that are close to the electric wire that runs from the pole to your house, or if you are questioning the health of any of your trees, we recommend contacting a certified arborist today!

IDENTITY PROTECTION

On November 1, 2008, Eversource implemented additional identity protection measures to safeguard our customers' confidential account information. These measures will help us to protect your confidential personal information and ensure only authorized access to your account. For current customers requesting account information or access, Customer Service Representatives will ask several simple questions to verify the caller's identity and their right to access the requested account information. We are committed to providing the excellent customer service you deserve and the timely information you need to manage your energy use.
