## Important Messages About Your Account

The stranded cost recovery charge is composed of a rate reduction bond charge owned by PSNH Funding LLC 3 as filed with the NHPUC and a stranded cost recovery amount approved by the NHPUC.

The 2017 average statewide RPS compliance cost was \$0.0046 per kWh. Information on the RPS, including its benefits, may be found on the Public Utilities Commission's website [puc.nh.gov/RPS](http://puc.nh.gov/RPS)

## IDENTITY PROTECTION

On November 1, 2008, Eversource implemented additional identity protection measures to safeguard our customers' confidential account information. These measures will help us to protect your confidential personal information and ensure only authorized access to your account. For current customers requesting account information or access, Customer Service Representatives will ask several simple questions to verify the caller's identity and their right to access the requested account information. We are committed to providing the excellent customer service you deserve and the timely information you need to manage your energy use.
